diffuse light

Table or standing lamp with diffused light, adjustable height. Glazed stainless steel telescope. White opal methacrylate diffuser. Structure and knob in painted aluminum. Led bulbs included.
Designed in 1965 by Gae Aulenti for Martinelli Luce, the lamp is made with innovative techniques for the diffuser in methacrylate for the time in which it was designed. The shape of conic base grows in the height through the ribs of the diffuser as the wings of a bat. Resting on a table or standing on floor this lamp features with its expressive power any type of envirnment.
